SPECIAL COLLECTIONS

These collections are shown on page 24 and are used by Prof. Waugh in the three blueprint plans in our book "How to Beautify Your Home Grounds." These collections are of the same high grade and size as our other shrubs, trees and plants, but the prices are lower than for individual plants. This means a saving, as well as a great convenience to the planter. We can not make any changes in these collections.

How to Order.—If you have no order blank, write the varieties desired, with number, size, and age of each, on any other paper, but on one side only. Sign full name and address plainly. Give County, Street, or R. F. D. Number.

How to Send Money.—Post-office or Express Money Order, Bank Draft or Check should be made payable to William P. Stark Nurseries. If coin or paper money is sent, the letter should be registered.

No Agents.—In selling to you direct, our responsibility is direct. It enables us to give you better trees, better service, better satisfaction. Our customers have found this the ideal way to buy trees. Each year we get more and more re-orders from these former buyers. And they tell their friends. A large percentage of our business comes in this way.

Prepaid Parcel Post Prices

Make out order for parcel post on separate order sheet. Mark "Prepaid Parcel Post Order" at the top. Use the following prices for all prepaid parcel post orders. The order should be for \$1.00 or more. We pay the postage. For varieties, see preceding pages.
